# Ways to Get Involved

All funds raised through DIY will go towards Providence Healthcare's highest priority needs. Your support ensures that all individuals—whether recovering from trauma or stroke, or requiring long-term care—are never defined by their injuries or illnesses and have the opportunity to thrive. Should you have any questions about your donation, or want to designate your funds to a specific area, please contact [community@phcf.ca](mailto:community@phcf.ca)
